Year 3/4
Homework Term 2 ACTIVE PLANET

Compulsory Homework

READING	SPELLING	MATHS
Please read with an adult **every day and record it in your journal.**	Please practise your spellings – five times over the two weeks. Spellings are given out on Fridays.	Practise your times table facts: Year 3 – Revise 2x, 5x and 10x and learn 3x Year 4 – Revise 3x, 4x, 6x. Start to learn 9x TT Rock Stars is a good way to learn them by heart.

Topic Homework – Tic Tac Toe

Choose at least three pieces of homework to complete throughout the term. Tick each one you complete; make sure that you always cross through the middle square!

Research what to do during an Earthquake and make an earthquake safety poster to tell others what to do if they ever got caught in one! 	Research legends associated with earthquakes. Retell the story in the form of: 1.) A video or audio recording 2.) News Bulletin 3.) A story board Please see ideas on the back of this sheet.	Find out about rescue robots and how they are used during disasters such as earthquakes. Design and label your own rescue robot with a description of how it works. 
Use scrap materials to create a collage of a volcano or make a 3D model of a volcano or a natural disaster. 	Create a 10 question 'true' or 'false' quiz about natural disasters. Try it out on your family or friends. 	In PSHRE we are learning how to navigate friendships. Create a poster to help others learn how to make friends and fair ways to respond to a friend after a falling out.
Research and write a set of instructions for how to make a 'rock cake.' See if you can follow your instructions and make some at home – bring in or email a photo for us to share in class. 	Experiment melting and cooling a substance such as chocolate, and explore the similarities to lava melting and cooling. Make a list of solids that melt and solidify. Take photos of your experiment or write about what happened.	Find and compare the heights of different volcanoes. Present your findings in a table or chart.
