

Submitting homework

The activities on the homework grid are for you to enjoy at home, these are linked to our current school topic. These are additional activities but do not replace the priority Year 1 homework in your child's reading folder (reading, spellings, number and keywords). It is important to support your child with all these activities first.

If your child has homework that they would like to share, please put **all** tasks onto one page and upload under your child's name within the assignment on Edmodo-not onto the wall or on Messages. We can then share this with the class.

Please do not send homework to school via email or in person.

Thank you,

The Year One Team
