The library book will be sent home for a week.

There will be a replacement cost for any lost or broken books.

Maths

We follow the White Rose Maths scheme. This scheme promotes a mastery approach.

We do Maths everyday.

Practical hands on Maths, so you won't see lots of recorded work. This is recorded through teacher observation.

Homework

Reading: Listening to your child read, ask questions about what they have read and talk about the book.

Phonics sheet.

Our foundation subjects will be covered through our termly topics in the form of a grid.
(Can also include maths).

We are super impressed and love all the homework that has come in already; it is shared within class and displayed in the classrooms.
