

Submitting homework

The activities on the homework grid are for you to enjoy at home, these are linked to our current school topic. These are additional activities but do not replace the priority Year 1 homework in your child's reading folder (reading, spellings, number and sounds). It is important to support your child with all these activities first.

If your child has homework that they would like to share, please take a photo and bring into class on a Thursday.

Thank you,

The Year One Team
