

Bugs Feast

This term our topic theme is Bugs Feast. As part of our topic theme we would like you to choose at least 3 tasks to complete throughout the term. As always please complete the middle square.

All PDFs will be attached to this email.

Create a new plant Design a seed packet for your plant.	Maths Scavenger Hunt: look below for the things to find. (See below)	Camp fire bread on a stick- see PDF
Seeds- Grow a plant and tell us about it. Photos are great too. (This can be the plant sent home from school)	Create a Critter! The PDF has ideas but use any resources you have.	Bare foot safari in your garden or around your home. Adults to check the area is safe.
Parts of a plant: see PDF This can be shown in any creative way.	Shelter Challenge: See PDF for waterproofing or this could be a shelter in the home	Go on a nature walk. Create a collage picture using natural resources.

Thank you

Year 2 Team

Maths Scavenger Hunt:

Items to look out for:	Tick once you've found them
Shapes: square	
triangle	
circle	
rectangle	
cube	
cuboid	
sphere	
cylinder	
cone	
Triangular prism	
Something with 1 line of symmetry	
Something with 2 lines of symmetry	
An interesting repeated pattern	
What else did you find in the garden?
