

Our World

Our World is our new topic for this term. Our main subject for the term will be Geography. We will be learning about physical and human features a locality has and the similarities and differences localities have. We will be using and learning geographical terms throughout the term

English:

We will be starting the term looking at 'Percy the Park Keeper' and the author Nick Butterworth. Our main focus will be on the story After the Storm.

Along side our new theme 'Our World', we will be using the book

'Meerkat Mail' to focus on postcards, story writing and animal fact files.

PE: Yoga

The children will learn about mindfulness and body awareness. They begin to learn yoga poses and techniques that will help them to connect their mind and body. The unit builds on strength, flexibility and balance. The learning includes breathing and meditation taught through fun and engaging activities.

PE: Sending and Receiving

The children will develop their sending and receiving skills including throwing and catching, rolling, kicking, tracking and stopping a ball. They will also use equipment to send and receive a ball.

Geography:

We will be comparing our local environment with other countries, labelling the seven continents and the five oceans of the world.

Maths:

We start the term by learning multiplication and division. We will be recapping on the four operations across the whole term.

RE:

We will be looking at the theme of friendship. Our questions are, how did Jesus show friendship and how do I show friendship to others?

Computing:

Presentation Skills: This will focus on important computer skills needed for safe and effective computer use and introduce some further skills concerning the use of folders, searching for files and printing.

DT: Fabric Faces

They will explore and become familiar with the names of different fabrics and learn how to choose and manipulate fabrics to create different effects; they will also learn how to join fabrics in a variety of ways. Running stitch will be introduced during this unit. Finally, children get the chance to apply all of these skills to help them create their own fabric face which they will

PSHRE:

Safety and the Community

We will start the term looking at safety and specifically safety on the road and in their community. We will also look at citizenship and rules.

Geography and Music:

A catchy song about the 7 continents.

<https://www.youtube.com/watch?v=K6DSMZ8b3LE>

Another catchy songs about the 5 oceans.

<https://www.youtube.com/watch?>

Reminders:

- PE kits, please have these back in school and labelled ready for PE on Thursday and Friday.
- Reading books will continue to be back in school on a Monday and sent home on a Friday.
- Spellings will continue to be on a Monday.
- Finally, a huge thank you for your generosity and kindness with the lovely gifts we received at the end of last term. We look forward to the term ahead.

DT: Engineering Day

We will be looking at mechanisms. This will be building on our knowledge of materials and researching axels. By the end of the term we will have completed the stages of research, design, build and test.
